- Nothing significant occurred
- We have recd a \$1000 grant from Walmart, \$1000 grant from Chevron via the Glowniaks (equipment will be purchased with these funds), Billy Graham group grant has been submitted along with a grant to MVHS PTSA

Updates & Feedback

Committee & Events:

Spring Fling – all membership should be receiving emails on this now. Little printing of forms is happening to keep costs down – use the website to get the information & forms you need. Need all members to use the website to pull a donation form and seek donations! The committee is soliciting last year donors but still need families to help! Great group of volunteers working on event but could still use more help esp. in the area of donations. Theme is “Car tunes classic”.

Senior Dinner – M’Lu is helping but still looking for a junior parent to help & learn for the following year. Triple the # of seniors this year than last.

Bowl-a-thon – need a parent to chair this; benefits all music programs

Concert on the Green

Volunteers:

Nan told us she still needs to find help with programs for concerts!

Other Issues:

Escrip – can we promote this more to parents? Parents can split the percentage with other groups; schools, etc...

The meeting was adjourned at 7:40 p.m.
