

## 2009-2010 Class Registration

The MVHS Instrumental Music program is primarily **self-funded** by classroom participation fees, donations and fundraising by the Keynoters Music Boosters. The participation fees we ask from each family will be used to cover the entry fees and transportation costs for the several competitions in which your student will participate. A small portion of Marching Band fees will go towards uniform upkeep and replacement. Administrative expenses, instrument purchase and repair, music licenses, facilities improvement, and many other costs of maintaining the program are only partially covered by these fees. Participation fees are expected to cover just 70% of the total IM Program budget this year.

We also strongly encourage all families to join the Keynoters Music Boosters and/or make a donation. Your membership fees and donations help support the IM Program directly, and support further fundraising efforts to continue development of the program. Keynoters volunteers produce and manage several fundraisers each year directly contributing to individual Student Accounts; these funds may then be used to offset fees and other IM expenses. Many students are able to substantially reduce out-of-pocket expenses by joining these events. The Keynoters Membership has committed to provide the remaining 30% of IM funding this year. We appreciate your support.
